DETAILED ACTION

Allowable Subject Matter

1. All formal matters previously objected to have been corrected and therefore claims 38-91 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art does not disclose or suggest the "thermal barrier element being an integral part of the piezoelement with the piezoelement having an active region and a passive region, the passive region forming the thermal barrier element; and the active region and the passive region having electrodes, the electrodes at a transition zone between active and passive zones being interrupted (or the active region having electrodes and the passive region configured without electrodes)" in combination with the remaining claim elements set forth in claim 38 and its dependent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian Goldberg whose telephone number is 571-272-2728. The examiner can normally be reached on Monday through Friday, 9AM-5PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Vip Patel can be reached on 571-272-2458. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
